Power Bank 4000

Portable Backup Battery for USB Device

Power Bank 4000 quickly powers all Smartphones like iPhone and Galaxy S series, tablets like iPad, e-Readers like Kindle, MP3 players like iPod and any USB devices up to 2A anytime, anywhere. It is powerful enough to add 14+ hours of talk time(3G) or 70+ hours of audio playback time to Apple iPhone 5 / Samsung Galaxy S III. It is very slim, lightweight and easy to carry around on one hand, it earns you envious glance from bystanders with the stylish brushed aluminum surface on the other. The short-circuit and over-current/voltage protection mode is necessary to safeguard your devices from damage. With all features you may concern, the **Power Bank 4000** becomes your ideal travel companion.
